

**JOHN F. KENNEDY
MIDDLE COLLEGE HIGH
SCHOOL
2023 – 2024**

Local Scholarship Handbook

Each year local clubs, organizations, and businesses offer scholarships to deserving JFK Students. In this packet you will find the General Application that can be submitted for most local scholarships. Some scholarships may require a different application than the one in this booklet or have special requirements such as mailing the application to a specific location with a different deadline. You may apply for as many local scholarships for which you are eligible. You must turn in a separate application for each local scholarship you want to be considered for to the JFK Counseling Office. Additional local scholarships may become available throughout second semester. They will be sent out to seniors via Remind. As they become available, Mrs. Carson will e-mail them to students as requested.

Application Guidelines

1. Application packet **MUST** have a **cover sheet** with the Scholarship Name/Student Name. **Please do not use a folder or hard cover.**
2. Application should be typed.
3. Complete the **General Award Application** for each scholarship that is turned into the Kennedy counseling office. Follow the directions carefully.
Note: Remember some scholarships may require a different application and may need to be submitted to a different location! Please keep in mind that the essay accompanying each scholarship should be targeted towards the scholarship. A generic essay does not necessarily represent what the scholarship committee is looking for, so you will want to make sure your essay meets the criteria of the scholarship that you are applying to.
4. Include an unofficial **transcript** for JFK and Norco College. *Please e-mail your counselor for a copy of your transcript and one will be sent to you.*
5. Write your 1–2-page **Personal Essay**. Please attach 1 copy per scholarship.
6. Some scholarships may require **Letters of Recommendation**. Please complete the Letter of Recommendation Student Information Sheet in this book prior to asking your teacher/employer/College Instructor. This will help them to write a glowing letter for you. Allow them 2 weeks to complete the letter.
7. Check your applications carefully and keep a copy for yourself. Application packet should consist of:
 - a. Cover Sheet (Scholarship Name and Student Name)
 - b. General Application OR Application Provided by Sponsor
 - c. Personal Essay
 - d. Unofficial transcripts from JFK and Norco College
 - e. Letter(s) of Recommendation if required.
8. Paperclip packet together. **Do NOT staple or use a presentation folder or hardcover.**
9. Make sure you turn in your application to either JFK Counseling Office or the specified location.
10. Completed General Application Local Scholarship applications are due to the **Counseling office by 3:00 p.m. on or before Friday, February 2, 2024.**

APPLICATIONS WILL NOT BE ACCEPTED IF THEY ARE TURNED IN LATE!

Your Scholarship Packets

Your scholarship packets must be in this order:

Do NOT staple your applications. Please use a paper clip ONLY!

Return application packet to the location specified on the scholarship information sheet. Turn in ONE complete application packet for EACH scholarship to which you are applying.

Completed General Application Local Scholarship applications are due to the **Counseling office by 3:00 p.m. on or before Friday, February 2, 2024**

APPLICATIONS WILL NOT BE ACCEPTED IF THEY ARE TURNED IN LATE!

THE PERSONAL ESSAY

The following suggestions may be helpful to students when writing the scholarship essay.

Plan carefully.

Format the essay – typed, font size = 12, double-spaced, margins = 1 inch, no more than 2 pages.

Write an essay that will provide a comprehensive picture of who you are.

- Introduce yourself by providing background information.
- Briefly state your academic accomplishments (ex. Honors/Norco College /AVID student, academic awards).
- State your extracurricular activities, jobs, or volunteer work.
- Explain how these activities and accomplishments have shaped your life.
- State your future goals and objectives and include where you plan to go to college as well as your major field of study (if you have decided).
- State your financial needs – explain why the scholarship will help you fulfill your dreams.
- Be sincere and honest.

Express appreciation to the agency for offering money to a deserving student.

After you have completed writing your best essay, let someone read it who can be objective and will not mind offering his/her honest opinion.

Don't wait until the night before the due date to compose your essay. Prepare it in advance and keep it on your computer so it can be revised.

****Keep in mind that 1 generic essay may not target all the scholarships. Write specifically for your audience. For example, if the scholarship is looking for a student that wants to be a scientist, you may want to discuss your experiences within the science field.**

LETTER OF RECOMMENDATION BRAG SHEET

**Give to the person writing your letter of recommendation. You DO NOT need to turn this in.*

STUDENT NAME _____ Date: _____

What are your educational plans after high school? University _____ Community College _____
Other (please specify) _____

What is your college major and/or career path?

Why did you choose to pursue this field? (List experience you may have in this field)

List clubs, activities, sports, and/or student government participation on and off campus (Indicate grade levels and offices held).

What words would you use to describe yourself?

What are your strengths and weaknesses?

List the community college courses that you have taken. How many units have you completed?

Describe and list work or community/volunteer experiences you have had.

Do you have any job experiences? To what use have you or will you put your earning?

What are some family experience and personal circumstances that are unique to you?

Have you overcome any obstacles in your life that you want to share in a letter of recommendation?

What are some honors or awards that you have received?

Cite any experiences you have had that demonstrate:

- Innovation and creativity
- Leadership
- Motivation and interest
- Unique competencies or expertise
- Awards

- Four awards of \$2,500 will be granted to students who plan to attend or currently attending a four-year college or university.
- Four awards of \$1,000 will be granted to students who plan to attend or currently attending an accredited two-year college, vocational-technical or trade school.

There are several different types of scholarships including college, military, regional, national, and local. Students should apply for as many scholarships as they are eligible. If you fail to meet one or more of the criteria indicated by an association, then do not apply for that scholarship.

Scholarships that fit your major and personality can be found on the California Colleges website.

It is recommended that students narrow their college search to four to six colleges and contact those institutions for information on their available grants, scholarships, and financial aid programs. Keep in mind that no matter what financial status you have, most colleges will not consider you for a scholarship unless you have filled out the FAFSA (even if you do not qualify for financial aid). Many schools will have full-ride scholarships available for some majors. Remember to look for private and out of state colleges to find the best financial aid package for you. More information on this subject can be found on the JFK website under Guidance and Scholarships.

Please remember that any institution that asks you to pay money for their services in finding scholarships is a scam. Never pay money for grants or scholarship services!
